### **DETAILED ACTION**

Applicants' amendment dated 09/17/2004 has been received and entered. By the amendment, claims 1,6-16, 19-30 are remain pending in the application.

Claim 1 is generic and allowable. Accordingly, the restriction requirement as to the encompassed species is hereby withdrawn and claims 2-5, directed to the species (A) no longer withdrawn from consideration since all of the claims to this species depend from or otherwise include each of the limitations of an allowed generic claim. In view of the above noted withdrawal of the restriction requirement, claims 2-5 are rejoined in light of the allowability of generic claim 1.

#### ***Allowable Subject Matter***

1. Claims 1-16 and 19-30 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The references of record neither disclose nor make obvious a method of manufacturing a liquid crystal panel comprising the step of providing the micro cell structures with a liquid crystal utilizing Ink Jet Printing technology at the condition of normal air pressure/vacuum and combining a first substrate with a second substrate by a sealing member at the condition of vacuum/normal air pressure, respectively as set forth in claims 1 and 19.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
